

Acclair Amnesty Cloak

The **Acclair Amnesty Cloak (AAC)** protects the trusted Acclair member's lifestyle. The package consists of amnesty units carried digitally on the Acclair smart card. These units translate into legal pardon in restricted situations as defined by the contractual agreement.

An Acclair member gains Amnesty units by successfully completing BFP tests as well as living a socially-trusted lifestyle.

Holder of the AAC will benefit from the following rewards (conditioned by minimum number of unit):

- Exemption from criminal offences classified as "misdemeanor" by authorities at country of use. (level C)
- Upgraded digital or physical protection provided by Acclair affiliates. (level B)
- Upgraded business intelligence relevant to member's line of business and country of destination. (level A)

Example of AAC report produced by Acclair:
